Water plants

Help your mother

Skill development: Social skills

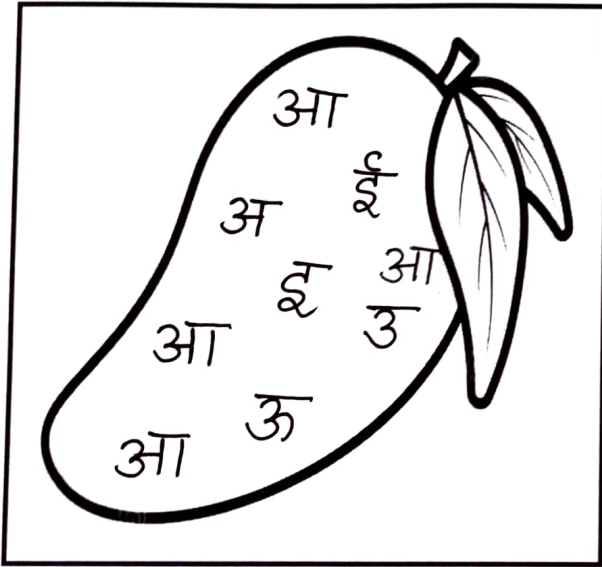

गर्मी आयी, गर्मी आयी

पंखे, आम और आइसक्रीम लायी।

जब सूरज दादा आग उगलते,

बच्चे, आम और आइसक्रीम देख उछलते!

निर्देश- "आ" स्वर को पहचानें और गोला बनायें।

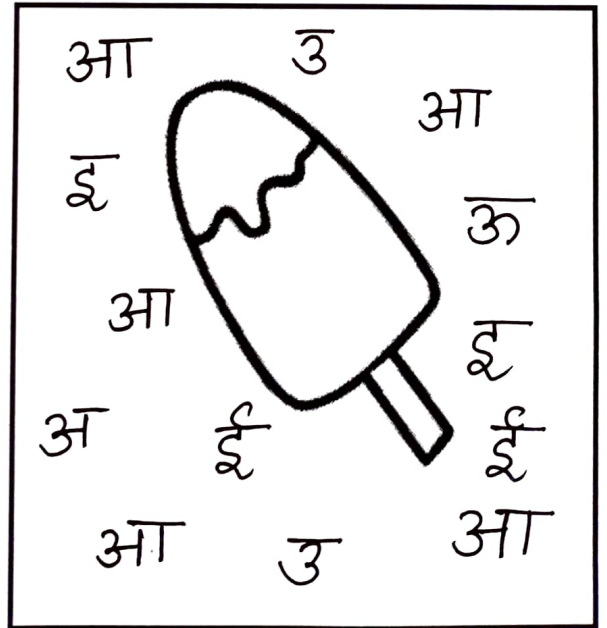

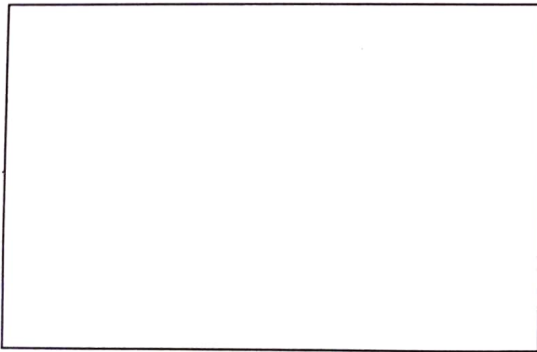

"आ" से आम

"आ" से आइसक्रीम

Analytical thinking :

आम के चित्र को बनाये
और रंग भरें।

Skill development:

Linguistic skill

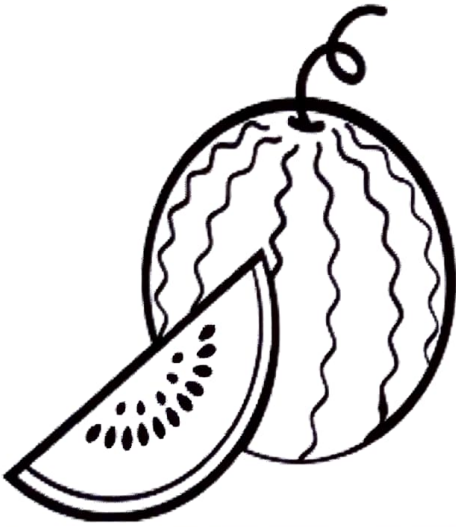

Apple, Litchi, Chikoo, cherry,

I like mango and Strawberry,

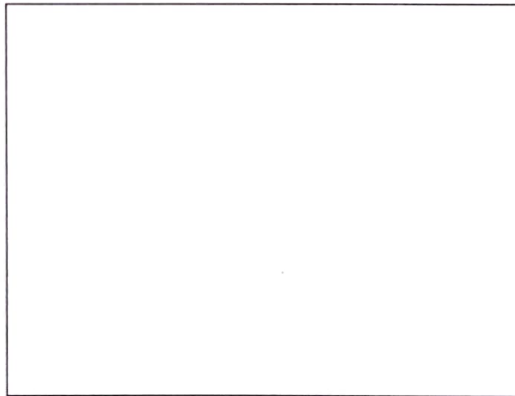

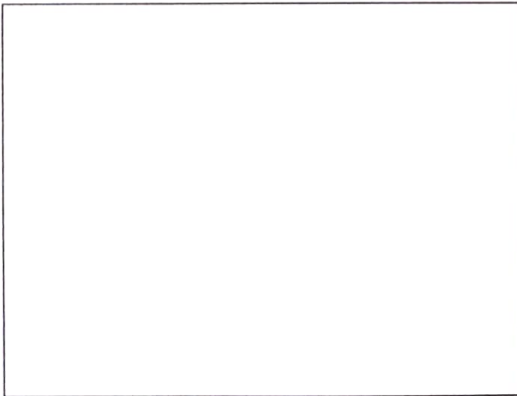

Summer brings fruits divine

I finish them by counting nine!

Direction: Colour the big fruit GREEN and the small fruit RED.

Direction: Draw and colour two fruits of summer season.

Analytical thinking: Blindfold yourself with help of your parents and identify these fruits by touch alone.

Skill development: Cognitive skills

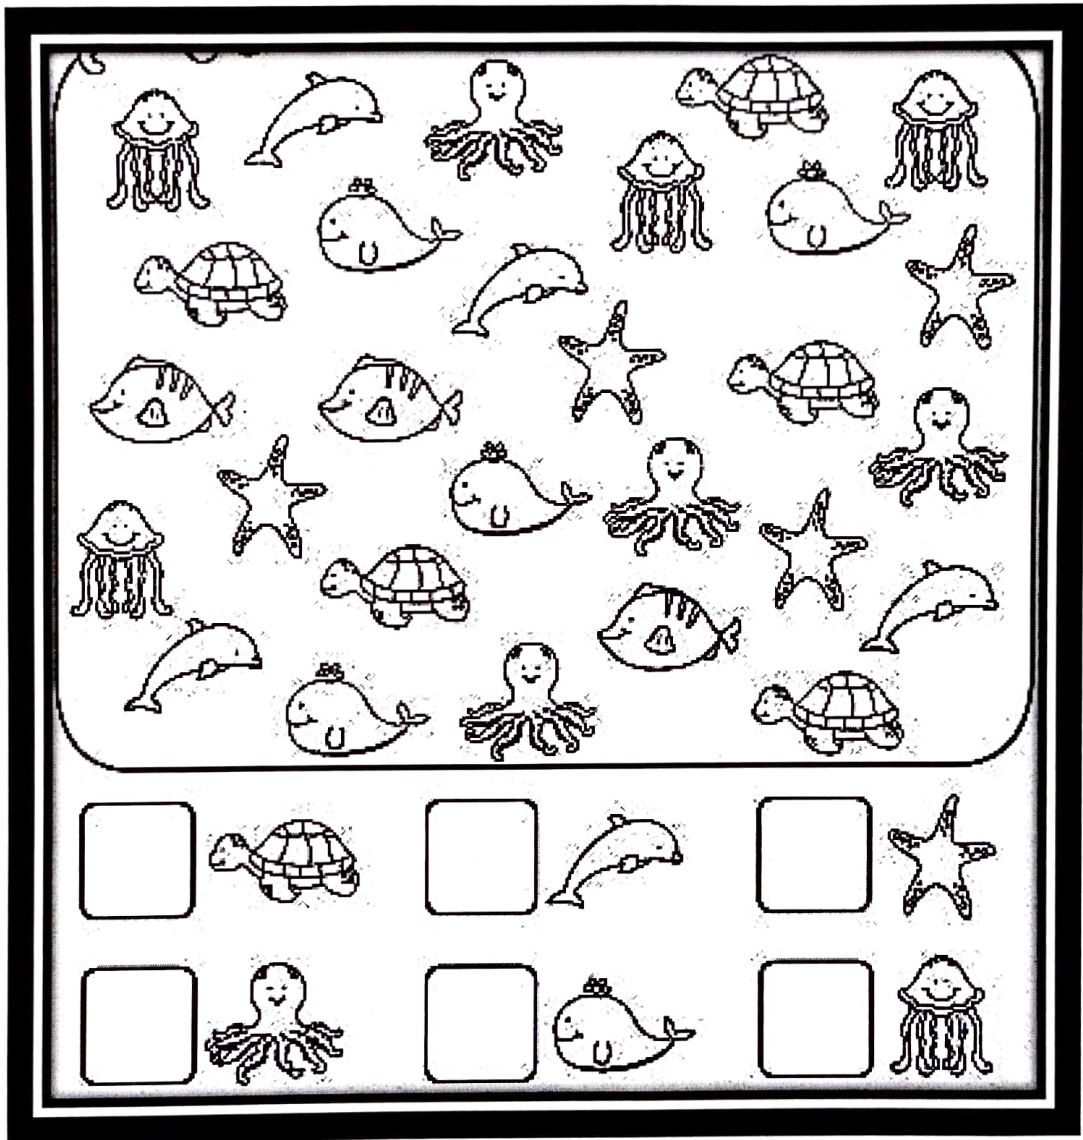

Five little fish down the sea sea sea

Turtles, whales and dolphins are dancing free...

Directions: Choose a colour for each sea creature and colour them.

Then count and write how many of them you have found.

Circle the one you find most!

Analytical thinking: Can you tell the names of all these sea creatures?

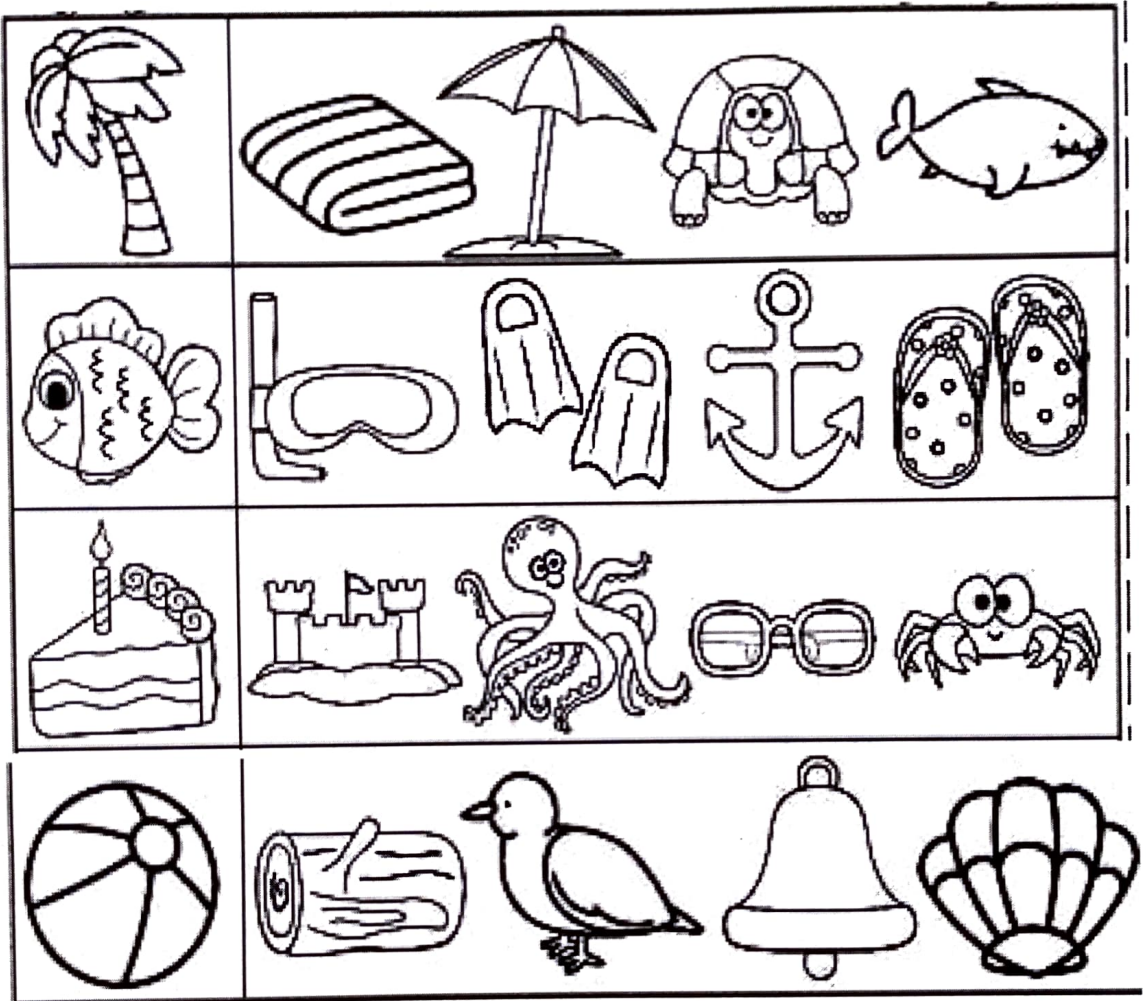

Skill development: Numerical ability

Let's go to the beach to swim, play and run.

Building castles in the sand is ever so much fun!

Directions: Colour the objects in first box. Then circle and colour the objects which begin with same letter in each line.

Analytical thinking: Can you identify the objects in the above picture which are found on beach?

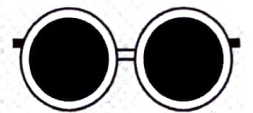

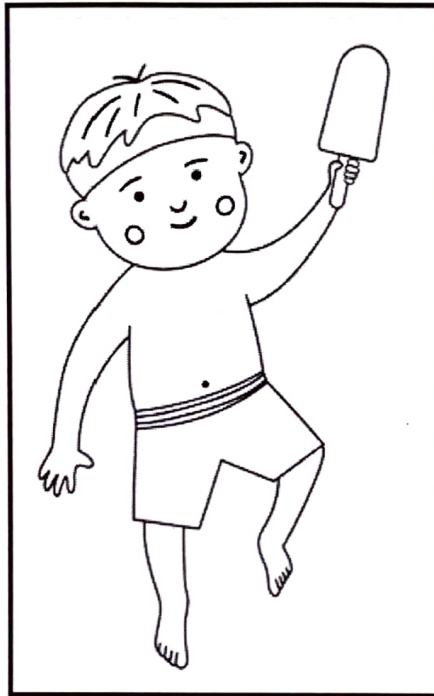

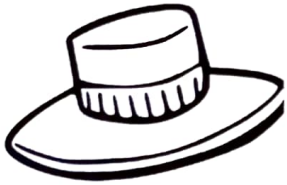

Skill development: Analytical and reasoning skills

Our favourite summer is almost here

It's time for fun and swimming gear!

Direction: *Draw a line to join the summer gears to the body parts where they should be worn.*

Analytical thinking: *Can you tell the name of five body parts which occur in pair?*

Skill development: Cognitive skills
